

GUIDE TO SCECHS

Michigan School Counselors are required to earn 25 hours in career exploration, of which 5 hours must be in military options, as well as 25 hours in college preparation and selection* every 5 years as part of the total 150 hours of required professional learning.

**The career exploration, including military, and college prep requirement is currently on hold per Governor Whitmer's Executive Order*

How to Find PD Opportunities

- PD opportunities are shared with our members on a regular basis via email
- Check out the PD page on our website at www.michiganschoolcounselor.org
- Search for PD options in the SCECH Catalog maintained by the MI Online Educator Certification System (MOECS)

District-provided PD can be converted to SCECHs

Learn [how this works](#) and how to report your hours in this [slideshow](#).

Graduate credit can be counted toward the required 150 hours.

ASCA U Specialist Trainings for SCECH Credit

School counselors can enroll in any of the ASCA U courses which can be completed virtually at your own pace. The Career Development Specialist and the College Admissions Specialist courses fulfill Michigan's requirement for career exploration and college admissions and selection PD.

Upon completion of the course MSCA members can complete a SCECH request form and pay \$15 per course with a check made out to MSCA mailed to PO Box 473 Schoolcraft, MI 49087 or [pay online](#).

The MSCA Governing Board is committed to offering our own quality professional development as well as helping our members access PD from other resources.

Registration is now open for our Fall Conference!

The banner features the Michigan School Counselor Association logo on the left. The central text reads '2020 VISION' in large, bold letters, with the '0's containing a map of Michigan and a group of people. Below this is 'FOCUS ON THE WHOLE CHILD' and 'NOVEMBER 16-17, 2020 • LANSING CONVENTION CENTER'. The background is a solid blue color.
